

Call for Application for 2016–2017 Academic Year Big XII Faculty Fellowships

Big XII Faculty Fellowship Program

The University of Kansas is participating in a program to stimulate scholarly initiatives through creation of an academic community within the institutions in the Big XII Athletic Conference. The Big XII Faculty Fellowship Program offers faculty the opportunity to travel to member institutions to exchange ideas and research. Faculty may work on collaborative research, consult with faculty and students, offer a series of lectures or symposia, acquire new skills, or take advantage of a unique archive or laboratory facility.

Program Guidelines

- During each academic year, six fellowships will be available to KU faculty.
- All tenured and tenure-track faculty on the Lawrence Campus are eligible to apply.
- The faculty member may visit any of the Big XII universities.
- The University of Kansas will continue the faculty member's salary during the period away from campus assuming they are already on salary at the time of the visit; otherwise, salary will not be covered.
- The University will provide reasonable travel, lodging, and meal expenses attendant to the visit up to a maximum of \$2,500. NOTE: Reimbursement for lodging and per diem expenses must follow state travel policies and procedures.
- Supplies, equipment, or other expenses unrelated to travel will not be reimbursed.
- Visits will ordinarily be for two weeks, but longer visits are possible.
- Faculty members are responsible for arranging coverage of their duties during their absence from campus.
- The Fellowship cannot be combined with sabbatical leave, external fellowship, or other leaves.
- After the visit, the faculty fellow will submit a brief report to the Provost describing the outcomes of the visit and offering suggestions for future planning.

Opportunities for Faculty Visits from Other Big XII Universities

We encourage you to consider inviting Big XII colleagues to visit the University of Kansas, if their visit would enrich the experiences of our faculty and students. This program offers a unique opportunity for collaboration and interaction. ***When plans have been confirmed, please notify the Office of the Provost (attn: Laura Green) of the individual's name, home institution and department, the dates of the visit and the purpose.*** Host departments are responsible for advising the visiting Fellow concerning temporary housing and for making arrangements concerning office space, telephones, clerical help, parking, and use of the library or specialized research facilities.

Individuals from other institutions must apply for participation through their home institutions. Expenses are to be covered by the home institution.
